Background

Dean Davis provides some of the most sought after entertainment with his unique and entertaining array of golfing skills.

Being in the Golfing and Entertainments industry for some 20 years, Dean has travelled the world entertaining an array of audiences along the way at events including corporate days, captains days, charity days, private parties, weddings and at european tour events. Dean's show can take place on a tee box, on the practice ground or on a driving range and is certainly one not to be missed!

On Course Entertainment

Dean's Par 3 Challenge, certainly does add extra entertainment in a golfer's game! It is a great way to raise money, with players paying a fee for any uncompleted trick shot challenges! This could include hitting golf balls off high tees or even hitting shots one handed!

This is a great way to raise money for your chosen charity.

With the par 3 challenge taking place during the golfing event, it leaves players in anticipation for the trick shot show!

This year we are able to offer our clients a wonderful hole in one prize of a 4 night stay for 2 people at the 5* La Manga Club in Spain, T&C's apply.

“ The things that man can do with a golf club are out of this world. I went go into detail so as not to ruin the surprise, but my clients thoroughly enjoyed the show. We have since booked Dean again knowing what a hit he will be. ”

The Trick Shot Show

The show is an impressive demonstration of what you can do with a little white ball and anything that vaguely looks like a golf club.

The show itself is ideal for both golfers and non-golfers with a complete display of golfing skills and tricks like you have never seen before, using hammers, fishing rods, hose pipes, using a trampoline and hitting off people's heads!

Dean's show includes lots of audience participation which can be tailored to fit within your event.

“ We were delighted to have Dean Davis to be part of the CLIC Sargent gourmet golf day in St. Andrews. It was a real highlight and all of our guests thoroughly enjoyed sipping champagne and watching a fabulous trick shot show to begin our evening reception. I would highly recommend Dean to all Charity and Corporate Golf Days, an extremely talented man who can really entertain the crowd”

“Over the last four years The Dean Davis Golf Show have supported the annual Grand Day Out Golf Day www.thegdo.co.uk at The Duke's Course St Andrews.

The Grand Day Out Golf Day is delighted to endorse Dean's Golf Show. We first met Dean in 2014 at the Scottish Golf Show and were mighty impressed with his entertaining trick shot display.

We decided to retain his services at our 2015 event he has now become a welcome feature of our Golf Days. Our participants, drawn from the Corporate World and the Military are certainly well entertained.

Not only does Dean deliver a world class demonstration of trick shots he goes further by managing the 'nearest the pin' on course challenge. Over the years his involvement with this has added greatly to our ability to raise impressive funds for injured members of our Armed Forces. ”

“First of all, Dean's golf trick shot show was really solid.

I think all of our professionals that attended thought Dean was one of the best we have had over the past 27 years and particularly hands on with the kids. He taught most of them individually, a trick shot and they were pretty amazed at his time and patience with that venture. He complimented what we do very nicely and we thank him for being a part of our day.

Secondly it was our first time using an 'international performer' so that was something we hadn't dealt with in our 27 years.

Communication, changing currency and wiring really was pretty simple using our Reno bank.

I would definitely have no hesitation in recommending Dean to be part of any golf event. ”
